PUBLIC SERVICE COMMISSION OF
SOUTH CAROLINA
DOCKET NO. 2006-166-E

IN RE:)	
)	
Joint Petition of Edisto Electric)	JOINT PETITION
Cooperative, Inc. and South)	FOR REASSIGNMENT
Carolina Electric & Gas Company for)	OF TERRITORY AND
Reassignment of Territory and Transfer)	TRANSFER OF CUSTOMERS
Of Customers in Barnwell County)	

Edisto Electric Cooperative, Inc. ("Edisto") and South Carolina Electric & Gas Company ("SCE&G") hereby jointly petition the Public Service Commission of South Carolina (the "Commission") for reassignment of certain territory in Barnwell County, South Carolina, and for the transfer of certain customers in Barnwell County. This Joint Petition is made pursuant to the Territorial Assignment Act, S.C. Code Ann. § 58-27-610, *et seq.* (1976).

In support of this Joint Petition, Petitioners allege and show unto the Commission the following:

1. SCE&G is a public utility within the jurisdiction of this Commission and is an electric supplier as defined by the Territorial Assignment Act. S.C. Code Ann. § 58-27-610 (1) (1976).

2. Edisto is subject to the limited jurisdiction of the Commission as an electric supplier as defined by the Territorial Assignment Act. S.C. Code Ann. § 58-27-610 (1) (1976).

3. The Commission may assign to electric suppliers areas outside the corporate limits of municipalities and that are more than 300 feet from the lines of electric suppliers. S.C. Code Ann. § 58-27-640 (1976).

4. Upon agreement of the affected electric suppliers, the Commission may reassign portions of previously assigned service areas. S.C. Code Ann. § 58-27-650 (1976).

5. Upon agreement of the affected customers and electric suppliers, an electric supplier may furnish electric service to a premises which another supplier is currently serving or has the right to serve. S.C. Ann. § 58-27-660 (1976).

6. SCE&G and Edisto request that the Commission reassign to Edisto a parcel of land consisting of approximately .8 square mile in Barnwell County. **Exhibit A**, which is attached to this Petition and made a part of it, is a map of a portion of Barnwell County showing the general location of the area that is the subject of this Petition. The parcel is located north of the City of Barnwell and bordered on the west by US Highway 278, on the south by Nappier Road, on the east by Turkey Creek, and on the north by the existing northern boundary of the SCE&G service territory for the area around the City of Barnwell. **Exhibit B**, which is attached to this Petition and made a part of it, depicts the .8 square mile parcel now assigned to SCE&G for which the Parties are requesting reassignment to Edisto. There are no facilities of SCE&G within this area. There are, however, both facilities and customers of Edisto in the area for which the Parties are requesting reassignment.

7. Edisto serves 14 commercial customers on the west side of US Highway 278. The Parties seek Commission authorization for Edisto to discontinue serving these customers and for SCE&G to commence serving them. A list of the customers and their service and mailing addresses is attached to this Petition as **Exhibit C**. Each customer listed in Exhibit C received two letters from Edisto explaining the intent of the Parties and asking for the assent of each customer. Examples of the letters are attached as **Exhibit D**. Additionally, Mr. Jerrell Furtick, Manager of Member Services, personally called each customer to confirm his or her agreement to switch electric service providers. A copy of Mr. Furtick's affidavit to that effect is attached as **Exhibit E**. All of the 14 customers have agreed to become customers of SCE&G. Edisto will continue to serve one premises on the West side of U.S. Highway 278, the T. Edward Richardson Building housing the Barnwell County Department of Social Services.

8. SCE&G has agreed to purchase from Edisto all of Edisto's lines and facilities located west of US Highway 278 as shown on **Exhibit F**. The purchase price of those facilities is \$ 5,175.71, which represents their original cost less depreciation. All of these facilities are used to provide service to the 14 customers listed in Exhibit C. Following SCE&G's purchase of Edisto's lines and facilities and the transfer of the 14 customers to SCE&G, Edisto agrees that it has no corridor rights pursuant to S.C. Code Ann. Section 58-27-620(d) to serve any customer in the territory shown within the territory assigned to SCE&G on the west side of US Highway 278 where the customers shown on Exhibit C are located. Edisto agrees that it will not serve any potential customers within that area, although the Parties recognize that Edisto will continue serving one premises described in Paragraph 7 above.

9. Petitioners allege that no facilities or territories of any other electric suppliers are affected by the changes Petitioners propose herein.

10. Petitioners allege that each is fully capable of furnishing adequate and dependable electric service in the areas that each now serves and would serve upon the Commission's granting of this Petition.

11. Petitioners have considered the public convenience and necessity in their negotiations, reassignment of the parcel of land to Edisto, the transfer of customers, and the purchase by SCE&G of Edisto's facilities and assert that the Commission's approval of this Petition will be in the public interest.

12. Petitioners request that the Commission treat this Petition as also being an affidavit and to determine this matter solely on the basis of this filing, unless there are protests or petitions to intervene, and in that event to set this matter for hearing and determination at the earliest possible date.

WHEREFORE, South Carolina Electric & Gas Company and Edisto Electric Cooperative, Inc. having jointly made application to and petitioned the Commission, pray that the Commission issue its order:

1. Accepting this Petition as filed; and
2. Reassigning to Edisto one parcel of land in Barnwell County as shown on Exhibit B; and
3. Authorizing the transfer of 14 commercial customers of Edisto to SCE&G as shown on Exhibit C; and
4. Authorizing the purchase by SCE&G of lines and facilities of Edisto as shown on Exhibit F for their net depreciated cost; and
5. Amending the territorial assignment maps to reflect the reassignment as shown on Exhibit B.

Dear Member;

In 1969 the South Carolina General Assembly instructed the South Carolina Public Service Commission to set up service territories for electric utilities in South Carolina. Currently, Edisto Electric Cooperative and South Carolina Electric and Gas are in the process of negotiating the reassignment of territory in and surrounding the Barnwell County Airport which includes your service location(s).

As part of this reassignment agreement, South Carolina Electric and Gas would become your new service provider. This transfer in service providers should not affect the quality of your service.

Should you have any questions or concerns regarding this matter, please contact me at 803-245-5141 on or before April 12, 2004.
